Re: United States v. Quincy Hilliard, et al.,
22 Cr. 82 (CM)

Dear Judge McMahon:

A status conference in the above-captioned matter is presently scheduled for May 3, 2022 at 4:00 p.m. As the parties do not have a substantive update for the Court at this time, the Government requests, with the consent of defense counsel, an adjournment of approximately 60 days of the May 3 status conference to allow the defendants to continue to review discovery and for the parties to continue to discuss potential pretrial dispositions.

Should the Court grant the requested adjournment, the Government moves to exclude time under the Speedy Trial Act, 18 U.S.C. § 3161, between May 3, 2022 and the date of the rescheduled conference. The Government submits that the exclusion of time would be in the interests of justice as it would allow the defendants to review discovery, and it would also enable the parties to discuss potential pretrial dispositions. In addition, defense counsel consent to the exclusion of time.

CASE Adj to July 6, 2022
At 3:45 p.m. — time excluded
through July 6, in the interest
of justice, to facilitate the
review of discovery and
plea negotiations.

Colleen McMahon

Respectfully submitted,

DAMIAN WILLIAMS

Southern District of New York
